

## ASIS LEAPS 2006

On Friday, September 22, 2006, the San Fernando Valley Chapter of the American Society for Industrial Security will be celebrating our annual Law Enforcement and Private Security Appreciation Day.

This is our 26th Annual recognition of the men and women of Law Enforcement and Private Security that dedicate themselves to ensure the public remains safe and aware of the many challenging opportunities of evil and corruption that infiltrate our lives on a daily basis.

The Selection Committee, chaired by Bob Lee will announce the winners of the "Above & Beyond" awards during this very emotional part of the program.

This year we are very excited to announce that Mr. Gordon Graham will be our keynote speaker, reprising his 1997 appearance. Gordon Graham is a 30 year veteran of California Law Enforcement.

Gordon Graham is certainly one of the most prolific and sought after speakers within the law enforcement circa. His penetrating wit coupled with his vast knowledge in multiple disciplines provides the audience with an information packed seminar .

Ms. Andrea Cunningham (Senior Manager, Security Operations, Walt Disney) is coordinating reservations for all companies, Craig Chamberlain will coordinate with Chapter Members. You may contact Andrea @ [Andrea.Cunningham@disney.com](mailto:Andrea.Cunningham@disney.com)
