CHAIRMAN'S CORNER**

SAN FERNANDO VALLEY-AMERICAN SOCIETY FOR INDUSTRIAL SECURITY

- **Chief Paul Johnson Returns To The SFV Chapter**
- **26th Annual SFV-LEAPS-2006**
- **Gordon Graham's Encore Presentation**
- **Nomination Time**

Once again, this prominent chapter has demonstrated its ability to provide its membership with quality guest speakers and informative content.

Chief Paul Johnson returns to the SFV Chapter

The month of August started off with our chapter's close friend, BSIS Chief Paul Johnson's update of SB 194 (Licensing of Proprietary Security Officers).

Chief Johnson discussed the implementation and impact of SB 194, and how the agency is making tremendous progress, the Chief also provided handouts regarding these issues.

In reference to the rule making process for this proprietary Security Officer Bill, the Chief pointed out there was an advisory committee that was being created. In an effort to help the hundreds of PPO's with the abundance of compliant issues, the Chief introduced Mr. Rolando Taeza, as the BSIS outreach coordinator. Mr. Taeza's main focus is to facilitate PPO's that need assistance. This is a tremendous gesture from BSIS to help mitigate a once troubled industry that has now become a very important aspect in all of our daily lives.

SFV-LEAPS-2006-Gordon Graham's encore presentation

With less than a month to go, our chapter is in full swing as we prepare to host the 26th Annual SFV-LEAPS Program.

Last year was deemed our most successful event ever when over 200 guests and Law Enforcement Personnel joined together to celebrate our local hero's.

This year is gearing up to surpass last year's incredible show with almost half of our reservations sold before our initial kick-off date.

As Chairman in 1997, I was honored to present Mr. Gordon Graham as our keynote speaker. Having recently stopped laughing and crying over that performance, nine years later I'm repeating those identical sentiments as we proudly announce Mr. Gordon Graham will once again honor us with his encore appearance.

If, for some reason you have not had the opportunity to attend one of Mr. Graham's presentations, you will be doing yourself, your co-workers, friends and associates a tremendous disservice if you do not make the effort to attend.

Who should attend this presentation titled "American Law Enforcement 2006" "Seven Rules of Admiral Rickover" How about, anyone associated with law enforcement and security.

Prior to Mr. Graham mesmerizing our souls, Chapter Vice Chairman Bob Lee will host our salute to the men and women of Law Enforcement & Private Security with an emotional presentation to those individuals that have gone "Above and Beyond."

Seating is extremely limited this year so please make your reservation as soon as possible.

Please contact Andrea Cunningham (Andrea.Cunningham@disney.com) if you would like to sponsor a table.

For individual reservations please contact Marian Ann (mgilbow@bglawyers.com) or 818-243-5200

Friday, September 15, will be the last day you can make a reservation.

Please acknowledge this hard working SFV-LEAPS Committee truly focused in bringing you a memorable program.

▪ **Nomination Time**

Yes, we are at that pivotal time of the year when we must give thought to next years leadership for our chapter.

At our October meeting we will be asking you for nominations for next year's Officers so please give it some thought and most of all, this is your chapter so you need to participate.

Don't forget, in October, Andrea and her team at Walt Disney Studios will be hosting "A Night at the Studios" We are really looking forward to that splendid event.

I'm looking forward to seeing and meeting with you at LEAPS!

Your comments and views are always appreciated!

Respectfully,

Craig A. Chamberlain
SFV-ASIS Chairman
